

New Years Double 2019/2020

Preregistrant Listing as of 12/30/2019, 11:45 am Central Time

* EVE Shirts are short sleeve blue. DAY Shirts are long sleeve electric yellow (great for night and early morning runs!).

* Late registrants had "No Guaranteed Shirt" as an option. They can choose after the race from the shirts that were not picked up during packet pickup by those registered earlier.

* See the field to know if you are Challenge Plate eligible. You must finish all your distances AND go to the white tent after your last race the second day to get your Challenge Plate. Not completing all of your registered distances means no Challenge Plate.
